

Mousie Song 2004 – Gina Bird & David True

(sung to the tune of the Gloucester Carol, which starts out
"Wassail, wassail all over the town...")

The mousie, the mousie runs down to the wheel
We don't know which doorway the mousie will feel
Is just the right colour or number to pick,
So be sure to place your wagers right quick.

The wheel, the wheel it spins round the house
The mouse sits and watches it all from the house
The mouse sits and watches the wheel spin around
So nary a nauseous mouse will be found!

The finest racing rodents you've seen!
Oh, come place your wagers on red, blue or green,
Then cheer for your mouse as she chooses her way
Come feast your eyes on our rodents at play!
